Walking distance and very convenient access from Sensoji Temple and Kaminarimon Gate

The hotel is located within walking distance of famous tourist destinations, such as the Buddhist Temple and Kaminarimon Gate and Asakusa Line, where you can try a variety of restaurants with very convenient access from other locations.

It delivers unique entertainment rooms combining a Japanese atmosphere and cutting-edge technologies, such as light holograms. Also, functional guestrooms will provide you with a comfortable hotel experience.

Smart! Lobby entertainment

The hotel has introduced light holograms in the reception (front desks) for the first time in Japan. As a unique hotel with a commitment to innovation and entertainment, highly entertaining ×2D holograms welcome you. These figures are available for check-in.

Comfortable! In-room tablet service (iPad)

Each guest room is equipped with a "real" tablet that allows you to control the air conditioning, lights, curtains, and even the television with your voice and a touch of your finger.

Convenient! In-room light adjustment (Phillips)

You can enjoy the color of the lighting in the room as if you were in your own room, even if you are not in your own room.

Easily access Tokyo, Shinjuku, Roppongi, Shibuya and Ginza from three stations within walking distance.

“ECO LUXURY” To relax and unwind from city life, we use a wealth of natural inspired materials in our hotel, while retaining an urban atmosphere. Present day Asakusa, usually the ‘red skye’, was formerly known as Akasaka, due to the Akasaka plant cultivated there and has renamed Asakusa. We use the color of the red sky of the ‘Akasaka’ plant to decorate our convention area and guest rooms.
