Henn na Hotel
Laguna Ten Bosch

A commitment for evolution

Cutting edge hotel featuring comfort and fun Our latest robots are here to greet you!

Come visit the Tokai Region's first hotel manned by state-of-the-art robots. Father T-Rex, scaled to 3/5th the actual size, will greet you in the Front Lobby. Mother T-rex and baby T-rex will help you check-in at the Check In Counter. Guestroom communication robots, and a variety of other robots throughout the hotel will help make your hotel stay enjoyable. Come enjoy a never-before excitement and comfort.

POINT ① Fun!

The latest robots help make your stay fun

A variety of robots work in the Hotel. Children and adults alike are bound to have fun. Japan's first Room Service Robot brings fun travel memories right to your room.

POINT ② Close!

Direct connection to Lagunasias

Enter the Park from the exclusive gate for hotel guests! The Huis Ten Bosch Revue is right in front of the hotel, and is just a 1-minute walk to the Flower Lagoon where you can enjoy the colors of seasonal flowers.

Lagunasias Park Map

POINT ③ Reasonable Enjoy reasonable rates of the robot hotel

Children 12 and under can stay for free if they use existing beds, making the total price for one room reasonable. We have a variety of plans to match your purpose and budget including accommodation without meals, and plans with special deals for Lagunasias admission and meals. Make your stay at the Robot Hotel a lasting memory!

POINT ④ Comfortable Substantial guestroom facilities

High-quality BREATHAIR® bed mattresses, featuring the same material used for Shinkansen seats are adopted. These highly breathable semi-double mattresses with a 120cm width, provide a comfortable night's rest. The separate bath and toilet provide a comfortable space where you can relax after a long day.

Guest Room *(all guest rooms non-smoking)*

"BREATHAIR®" is a highly durable washable cushion material. The 96% air layer has air permeability, cushioning characteristics, water permeability, durability, environmental safety, antibacterial properties, and provides comfort. Bedding and pillows made of BREATHAIR® do not get stuffy, and make it easy to toss and turn during the night. BREATHAIR® has been adopted for use in the seats on N700 Series Shinkansen trains as well as other train lines and motorcycle seats, which require a high durability.

**Our simple guestrooms aim for comfort and functionality.
The substantial amenities will help you relax after a long day.**

The bath and toilet are separate, so you can relax even with young children. The 120cm wide semi-double beds are equipped with the latest mattress (BREATHAIR®), and promises quality sleep. A variety of guestrooms are available for families, groups, and couples.

Standard twin (2 - 3 guests)

This guestroom is ideal for couples and families. The sofa bed, as comfortable as the beds, can be opened up for a third guest.

Standard twin (4 guests)

Up to four guests can stay in this guestroom. The ample space is perfect for families, groups, and girls-only getaways, etc.

Standard triple (3 guests)

This guestroom has three semi-double beds, and is perfect for girls-only getaways, and couples, etc.

Deluxe twin (2 - 4 guests)

This is our most expansive guestroom for a relaxing hotel stay! Up to six guests, including four adults and two children using existing bed can stay in this room.
